

FINAL LPM SALE

On November 1st London Pro Musica Edition will become Edition Zefiro. We are therefore selling our existing stock at very low prices. Most, but not all, LPM titles will be re-issued under Zefiro.

LIST 1

All titles in this list £3 each, but please note the following:

- These prices are only valid for orders made directly with us.
- Minimum order £20 (you can include items from list2).
- For large orders there are discounts: for 40 or more titles the price per copy is £2.50.
- The score-only titles marked with an asterisk(*) can also be bought in sets indicated at the end of list 2A.
- At these prices, we cannot accept any returns.
- Some of these may not be reprinted, so order sooner rather than later.
- The sale will end at the finish of the Early Music Exhibition in Blackheath, London, November 7-9.
- Titles with a DOL code are editions specifically for recorder
- Sets of parts normally include inner parts both for strings and wind, except in the RB series.
- Any of the 282 titles in the *Early Music Library* can be added to this list on the same terms and price.
