
Playford Dances

PLAYFORD DANCE TUNES in 4-part settings by **Bernard Thomas: Volume II: 86 dances**. Volume I of this project has been reprinted many times, and we have had many requests for an additional volume. LPM 103 *Score only, £6.75 (set of 4 copies, £15.00)*

200 PLAYFORD DANCE TUNES with chord symbols
Although our first volume of Playford arrangements has been very popular, we are conscious that many would prefer to make their own arrangements, or just play the tunes on a single instrument with guitar or lute etc. So here are the 200 most useful tunes with chord symbols. The volume comes with a CD-Rom containing transposed versions of each tune, so you should be covered for any eventuality. LPM 111 *£7,50*
